

## **Kick-off meeting of the new LNS Users Committee - 01 February 2017**

Participants: Marco Circella (web), Marco La Commara (web), Chiara Nociforo (web), Gabriele Pasquali (web) Giuseppe Politi and Enrico De Filippo (coordinator of the committee for the last two years )

The meeting opens with the election of the new coordinator; Committee unanimously chooses Giuseppe Politi.

The past coordinator resumes the main points of work done and discusses with the Committee of possible future engagements. Emerging points are presented in the following:

- Users list has to be revised and updated.
- A new satisfaction survey should be developed and put on the LNS website in order to receive from the spokespersons comments and suggestions after each performed experiment .
- A specific email address for the users committee should be activated in order to receive request and comments from the users.
- Minutes of Users Committee meetings will be put on the LNS web site.
- Next users meeting will be organized in the first half of 2017, possibly coupled to some other event to be organized at the LNS in order to enhance the participation of external users.

The Committee thanks the past coordinator for the work done in the last years and ends the meeting.

On behalf of the Users Committee

Giuseppe Politi
